

Washington State University Family and Graduate Apartment Agreement 2026-2027

All occupants of University-owned housing are required to sign licenses called apartment agreements. In signing this apartment agreement, you, the occupant, have agreed to be responsible for any damage or breakage occurring in the apartment due to accident or negligence, and to maintain the apartment in a clean and orderly condition.

The assignment of a particular apartment by the University to you and your license of premises from Housing and Residence Life does not include the right to use such premises for any business or professional purposes, for storage of commodities for sale, or for any purpose other than as a personal residence.

Apartment charges begin on the assigned Move-in date. Failure to vacate and return keys by the ending date of the apartment agreement, or the move out date agreed upon by the occupant in case of termination of the apartment agreement, will result in the apartment overnight rate of \$100 per night being charged through or until removal, and denial of further housing agreements. Occupants leaving the campus for an extended period are responsible for paying their apartment charges throughout the period of absence.

The parties intend for this agreement to constitute a license for the use of an apartment space yet to be assigned by the University and further intend that this agreement will not constitute a lease and will not create or transfer an interest in or a lien upon real estate.

Housing and Residence Life reserves the right to terminate the apartment agreement of any occupant who willfully houses an individual NOT on the apartment agreement in violation of the Guest Policy.

Damage/Security Deposit

The \$150.00 deposit required with each application for housing is a separate damage/security deposit and is not applied to the license fee. Housing and Residence Life agrees to refund the \$150.00 damage/security deposit to the occupant at the completion of the agreement, provided no damage or cleaning charges are assessed, and no other amounts are due to the University. The damage/security deposit will be forfeited if this apartment agreement is cancelled prior to the start of the contracted occupancy period.

Debt Collection

Unpaid license fees and charges for cleaning, damage to property, equipment and furnishings are an obligation of the occupant to Housing and Residence Life.

Any unpaid account balances will be sent to an outside collection agency and may be reported to one or more credit bureau reporting service(s). After internal collection efforts have failed to result in full payment, and in accordance with [RCW 19.16.500](#), collection fees of up to 50% of the unpaid balance will be assessed to your account, and you are responsible for paying these fees together with all costs and expenses, including reasonable attorney's fees and court costs, necessary for the collection of your delinquent account.

Requests for future housing will be considered only if payments are current.

Eligibility for University Housing

Any qualified graduate student of Washington State University or any undergraduate student of Washington State University with legal dependents and/or a spouse, or domestic partner as noted below, is eligible for residence in Family/Graduate Housing. Undergraduate students must be enrolled in classes for credit at WSU. Graduate students not on appointment as a teaching, research, or staff assistant must comply with the Graduate School minimum enrollment policy as outlined in the Graduate Bulletin. If space is available, WSU faculty and staff may also be eligible for residence in Family/Graduate Housing.

First priority for Family/Graduate Housing is given to all qualified student applicants. Second priority will be given on a space available basis to newly appointed faculty and staff. Military personnel on duty at Washington State University (Pullman Campus) will be considered eligible either as faculty or staff. Faculty and staff renewals will be considered only if student demand is met. The Director of Housing and Residence Life and/or their designee may grant exceptions to these policies.

Occupancy of the family and single graduate apartment is limited to the occupant, legal spouse or domestic partner, as defined in Washington State law, or legal dependent(s), or in the case of a single parent/guardian with legal dependents, one additional unrelated adult. Occupancy of both single occupancy and shared graduate apartments is limited to graduate students.

GUEST POLICY: Guests staying longer than five total days in an agreement period are defined as **being in residence**. Occupants are required to request approval from WSU Housing and Residence Life for any guest who will stay longer than five total days. WSU Housing and Residence Life also reserves the right to terminate the apartment agreement of any occupant who willfully houses an unapproved guest in residence and/or charge the occupant an amount equal to one month's license fee.

The apartment agreement must be renewed each spring in order for the occupant to occupy any Family/Graduate Housing unit after June 30, 2027. Faculty and staff renewals may be denied due to student demand. If the occupant wishes to renew their apartment agreement, they must renew online before March 31, 2027. No response from the occupant by the March 31, 2027, deadline will indicate to Housing and Residence Life that the occupant will not need that apartment after June 30, 2027, and their licensing agreement will be administratively terminated. The non-renewing occupant also agrees to vacate their apartment by June 30, 2027. Failure to vacate by June 30, 2027, will result in the

overnight rate penalty being charged until the occupant vacates the apartment.

Housing and Residence Life reserves the right to deny future housing assignments to occupants with a history of more than one delinquency letter, a notice to vacate, or cleaning and damage charges in excess of \$200. Housing and Residence Life reserves the right to deny future housing assignments to occupants with a history of violating University policies, the terms and conditions of this apartment agreement or other WSU housing agreement, and/or violating the [WSU Community Standards of Conduct for Students](#) or other relevant provisions in the WSU [University Policies and Procedures Manual \(UPPM\)](#) and Washington Administrative Code

Keys

Apartment keys are the property of Housing and Residence Life and may not be duplicated. All keys must be returned to the Housing Office by the move-out date stated on the Notice of Termination or on the date that the apartment agreement is terminated or the date of the end of the apartment agreement period. **Keys may not be passed to a replacement occupant.**

Failure to return the keys will result in the following nonrefundable key charges: \$75 for apartment door, \$30 for mail, and \$20 for laundry room.

Occupants may not put their own locks or other security devices (examples include but are not limited to deadbolts, door chains, mounted door braces, portable door lock) on any door in their apartment. If locks are found, they will be removed and the occupant charged for the cost of such removal.

Lead-Based Paint

The federal government has enacted legislation regarding the abatement and disclosure of lead-based paint in certain non-exempt housing. Pursuant to federal law (24 C.F.R. Part 35 and 40 C.F.R. Part 7450), beginning September 1996, Washington State University must disclose any known lead-based paint hazards upon the license of non-exempt residential property built prior to 1978. Housing and Residence Life is in compliance and aware of its responsibilities under 42 U.S.C. 4852(d).

Lead Warning Statement

Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, owners must disclose the presence of known lead-based paint and/or lead-based paint hazards in the dwelling. License holders must also receive a federally approved pamphlet on lead poisoning prevention.

The following pamphlet is provided: [Protect Your Family From Lead in Your Home](#) - <https://ehs.wsu.edu/documents/2022/09/epa-english-lead-brochure.pdf/>

Noise Policy

No boisterous noises or belligerent conduct will be permitted on or about the premises. Occupants can expect to hear normal noise from people walking, children playing, furniture being moved, and television or radio between 8 am and 10 pm. Outside of these hours, reasonable quiet for studying and sleeping is expected. Occupants are encouraged to monitor both the level of noise and the time of day when creating noise. Occupants and/or their guests who repeatedly violate noise policies will be required to vacate WSU Housing and pay all appropriate charges.

Pandemic

I understand that the Director of Housing and Residence Life or designee may terminate my apartment privileges if I, or members of my household, violate WSU policy and regulations or refuse to obey a valid health or safety-related directive of a Housing and Residence Life or Auxiliary Facilities Services staff member. I further understand that failure to comply with a valid federal, state, local, or University health or safety-related directive may also result in termination. This includes, without limitation, health or safety directives, proclamations, or orders issued by the governor, Washington State

Department of Health, the Whitman County Director of Public Health, or a Housing and Residence Life or Auxiliary Facilities Services staff member. For the purposes of illustration and not limitation, such directives could include: limiting or eliminating guests or visitors to your apartment; agreeing to submit to bio security checks such as temperature checks; wearing protective equipment such as masks; and being directed to isolate or quarantine due to pandemic related illness. In addition, the failure to comply with directives of University officials acting in performance of their duties and/or the law is a violation of the WSU Standards of Conduct for Students and may result in a referral for disciplinary action under these standards.

I understand that Housing and Residence Life reserves the right to reassign (permanently or temporarily) individuals at any time.

Parking

All vehicles parked in Housing and Residence Life Apartment lots are required to have a current Housing and Residence Life Apartment parking permit on file with WSU Transportation Services. All vehicles -- including but not limited to automobiles, motorcycles, mopeds, trucks, vans, recreational vehicles, boat trailers, utility trailers, campers, and small motor homes -- parked on the premises **must be operable and have valid current license plates**. "Operable" means the vehicle must have air in the tires, have all major components intact, including windows and windshield.

Vehicles may not be used to store items on a permanent basis, which are not allowed in Housing and Residence Life facilities. Any violation of the foregoing will subject the vehicle to being towed at the expense of the vehicle owner or operator.

All vehicles, including motorcycles and mopeds, must be parked in designated parking areas only. All vehicles are prohibited from lawns, walkways, stairwells, patios, and balconies. Vehicles parked in the non-parking areas will be ticketed. Housing and Residence Life reserves the right to impound (immobilize) any illegally parked vehicle at the resident's expense.

No gasoline-powered vehicle or other combustible items can be parked or stored inside any Housing and Residence Life apartment or storage area. Vehicles found stored in such living areas will be impounded and stored at the resident's expense.

Housing and Residence Life assumes no responsibility in the event of damage resulting from the impounding or storage of any illegally parked vehicle.

Pets/Animals

No pets of any kind, including but not limited to animals, birds, or reptiles, may be kept, fed or harbored on or about the premises. Water- filled aquariums of no more than 30-gallon capacity may be maintained for fish only. Snakes, turtles, and lizards are not allowed, even if housed in aquariums. Trained service animals, service animals in training or animals approved as an emotional support animal are the only exception to this policy. Requests for emotional support animals in university

housing are reviewed and approved by the WSU [Student Accommodations & Disability Resources](#) office. An emotional support animal must be approved by the Student Accommodations & Disability Resources prior to the animal being in residence. Trained service animals or service animals in training are encouraged to be registered with WSU Housing and Residence Life.

WSU Housing and Residence Life will assess a fine of no less than \$400 fee for the first violation of the pet policy, which will be charged to the occupant's account. Occupants will be responsible for all added cleaning charges. In addition, occupants found to have an unapproved animal in their apartment will be given notice to remove the animal and provide evidence of removal within a specified time or vacate the premises in accordance with the apartment agreement. **Second violations of this policy will result in termination of the apartment agreement.**

*Beginning summer 2021, WSU Housing and Residence Life transitioned their pet program to allow for pets in Yakama Village. (Previously, this program was in parts of Steptoe Village.) **All units in Yakama (except furnished studios) are pet friendly. Only these units are approved to have pets, in accordance with the pet policy, and require a \$400 pet fee to be paid and a complete pet application on file prior to the pet being approved and allowed in residence. For more information, please consult the [WSU Housing Pet Policy](#).***

Property/Liability

Apartments must be kept neat and clean at all times and the sidewalks and stairwells kept free of obstacles. Occupants may use the premises as a dwelling only. No alterations or physical modifications may be made to the premises or furnishings. **Occupants may not install any air conditioner or antenna, including satellite dishes or mini-satellite dishes, upon either the interior or exterior of the building including windows and balconies.** Personal AC units that do not exceed 12,000 BTUs and/or 115 volts are permitted in the WSU Apartments and must be installed by Auxiliary Facilities Services. **Box Window A/C units cannot be installed in bedrooms.** No destruction to the premises or furnishings is allowed. No condition that creates a fire hazard may be kept or permitted. No additional locks may be added to exterior or interior doors. **Charcoal burners and other open flame cooking devices shall not be operated on patios or balconies or within 10 feet of combustible construction.**

Washers, dryers, and dishwashers will not be used or stored within an apartment, except in the Yakama units where washers and dryers and dishwashers are allowed; a fine of \$100 will be imposed if a washer or dryer or dishwasher is found in family/graduate apartments.

Smoking or the use of any tobacco or nicotine product is prohibited on campus. This includes but is not limited to use of cigarettes, cigars, pipes, hookah, all forms of smokeless tobacco, electronic cigarettes, nicotine inhalers, clove cigarettes and other alternative products made primarily with or from tobacco. Smokers must comply with [WAC 504-38](#) and any WSU regulations regarding tobacco and nicotine use. Housing and Residence Life reserves the right to bill occupants who smoke in the apartment the costs associated with removing any odors, tar and nicotine residue, or any costs

associated with replacing drapes, carpets, furniture, cabinets and painting walls.

Use, possession, manufacture or distribution of cannabis, narcotics or other controlled substances and possession of drug paraphernalia is prohibited for all individuals on campus (including WSU apartments), regardless of age, except as permitted by federal, state, and local law. If illegal drugs (including cannabis) are present, our community expects all residents leave the location immediately and/or report the situation to appropriate staff.

The occupant must pay for costs of opening and repairing plumbing and other repairs that arise due to clogging or stoppage by any material, substance or object placed in the plumbing or freezing of pipes due to occupant negligence. ***Housing and Residence Life reserves the right to enter apartments and adjust the temperature settings in individual apartments when weather conditions warrant. Personal bidets are only permitted if installed by Auxiliary Facilities Services (AFS) and must have an independent shut-off and be made of material other than plastic.***

For reasons of health and safety, nothing is to be thrown, dropped, poured or hung out of any apartment window. Outside wires for Internet connections, radios and television sets are not allowed. Individuals are not allowed to lean on, or out of, windows or sit on windowsills or screens, or remove screens. Yelling out of windows for non-emergency communication to others is prohibited.

Housing and Residence Life does not assume any liability for the loss, damage, or theft of any personal property, or for damage or injury resulting from explosion, fire, mechanical failure of water, steam, or gas lines, or from any defective wiring, or the negligence of any other occupants of the building; the occupant agrees to hold Housing and Residence Life harmless for any such damage to themselves or to any personal property on the premises, unless such loss or damage is due to the negligence of WSU or Housing and Residence Life. Occupants wishing to protect themselves from the possibility of such losses should obtain appropriate insurance.

Housing and Residence Life agrees to keep the roof, floor, walls, windows, and mechanical infrastructure of the premises in a good state of repair.

If the University's performance of obligations under this apartment agreement is materially hampered, interrupted, or interfered with by reason of any fire, casualty, lockout, strike, labor conditions, unavoidable accident, riot, war, imminent risk of serious harm to community health and welfare or other acts of God, or by the enactment, issuance, or operation of any municipal, county, State, or federal law, ordinance or executive, administrative, or judicial regulation, order or decree, or by any local or national emergency, Housing and Residence Life may cancel this apartment agreement and refund to occupant(s) any unearned license fee already paid.

Housing and Residence Life will remove **any personal property left on the premises** by the occupant after they vacate. Property left in an apartment with an estimated value of less than \$100 will be thrown away, recycled, or donated. Due to health and pest concerns, mattresses will be disposed of

regardless of value. Property with an estimated value of \$100 or greater will be documented and impounded. Occupants will be charged for the removal and impounding of property for labor on an hourly basis. Housing and Residence Life will attempt to contact occupants via their WSU e-mail listed with Housing and Residence Life about the impounded property. Occupants have 60 days to contact Housing and Residence Life to make arrangements for the return of their property by contacting an outside company to arrange shipping, picking it up in person, or agreeing to allow WSU to donate the items. After 60 days, if arrangements have not been made the property will be considered abandoned and Housing and Residence Life will dispose of said property according to University policy. If property is to be shipped or picked up, the occupant has 60 days from the original date of impoundment to retrieve the property.

Regulations

While on the premises, occupant(s) and guests will abide by all local, state and federal laws and WSU rules and regulations. An agent of WSU may enter the premises at any reasonable hour for purpose of inspection, emergency, or to make repairs. To protect an occupant's privacy, a notice of entry will be given whenever possible. However, Housing and Residence Life reserves the rights to enter without notice for purpose of inspection or to make repairs when conditions warrant. ***Housing and Residence Life will give advance notice when pest control procedures are to take place. Occupant(s) agree(s) to allow pest control personnel to treat their apartment when it is deemed necessary by WSU. Occupants will also prepare their apartment for treatment before pest control personnel arrive*** or Housing and Residence Life may charge the occupant for return treatment

The premises licensed to the occupant(s) is part of the housing operated by Housing and Residence Life and the occupant(s) agree(s) that they will comply with all current and future rules or regulations adopted by WSU that apply to said housing. These policies include, but are not limited to, those stated in the [Washington Administrative Code \(WAC\)](#), WSU Safety Policies and Procedures Manual (SPPM), WSU University Policies and Procedures Manual (UPPM) and the [Family/Graduate Student Apartment Handbook](#). Occupants are responsible for apartment information sent via the [WSU housing portal](#), WSU Student Information System portal ([my.wsu.edu](#)) and WSU email.

This license is exempt from the Residential Landlord Tenant Act under the provisions of [RCW 59.18.040\(1\)](#).

License Fee/Payment Schedule

License fees, as stated in the [Family/Graduate Apartment Rate schedule](#) are charged to the Occupant's account for the agreement period of July 1, 2026 through June 30, 2027 - NO STATEMENT WILL BE SENT. License fees are charged as early as the 25th of the month prior and due on the 1st of each month. The monthly license fee in designated shared graduate apartments is split between the occupants. Charges for partial periods will be prorated.

Financial Aid Recipients: All available financial aid and/or scholarships, after tuition and fees are paid,

will be applied to the outstanding account balance. The occupant is responsible for any license fees not covered by financial aid. Financial aid credited to your account may alter your payment schedule.

If license fees are not paid by the 1st, the occupant agrees to pay a late payment fee and the occupant will receive an electronic "Notice of Overdue Account," which will be found in the WSU [housing portal](#). Occupants whose license fee checks are returned unpaid by the bank will be charged the non-sufficient funds fee assessed against WSU in addition to the late payment fee.

Housing and Residence Life has the right to increase the monthly license fee during the term of this apartment agreement. The occupant will be given a 60-day written notice of any such increase. The occupant may terminate the apartment agreement with 30-day notice should the apartment increase be unacceptable. Notice of license fee increase will be sent via the WSU [housing portal](#) to each license agreement holder. Housing and Residence Life agrees to refund the \$150.00 damage/security deposit to the occupant under these circumstances, provided no damage or cleaning charges are assessed, and no other amounts are due to the University.

This apartment agreement will remain in force even though the license fee for the apartment may change during the occupant's occupancy, unless the occupant terminates the agreement as set forth above.

Subletting

This apartment agreement is not assignable, nor is the premises or any part to be sublet. Occupants found to be in violation are subject to termination of their apartment agreement and removal from WSU Housing and Residence Life apartments.

Cancellation or Termination of License

An occupant may cancel (prior to moving in) or terminate (after moving in) their license as follows:

By the Occupant –

1. ***Prior to Taking Possession*** - Occupants canceling an accepted offer online at least 14 days prior to the move-in date will receive a refund of the \$175 confirmation payment but will forfeit the \$150 security deposit. Cancellations of an accepted offer submitted less than 14 days prior to the move-in date indicated on the confirmation will result in forfeiture of both the \$150 security deposit and the \$175 confirmation payment.
2. ***After Taking Possession*** - An online 90-day minimum notice of termination of the apartment agreement is required through the occupants' online housing application portal. Occupants who fail to provide notice 90 days in advance of their departure will be charged a penalty equal to license fees for 90 days from the date Housing and Residence Life receives the online termination notice.

Occupants who complete their academic work or who terminate their association with the University are to vacate their apartment within 90 days after their association with the University ends. An online 90-day notice of termination is also required in this instance.

Each occupant must inform the Housing and Residence Life Office by March 31, 2027, if they are planning to continue occupying an apartment in Family/Graduate Housing past June 30, 2027, by completing the online renewal process in March. If the occupant will not be residing in the apartment past June 30, 2027, no online termination notice needs to be submitted, and your apartment agreement will automatically terminate on June 30, 2027.

By Housing and Residence Life - Housing and Residence Life may terminate this apartment agreement and remove the occupant by giving five (5) days' notice in writing, under the following circumstances:

1. Failure to maintain eligibility.
2. Failure to pay the license fee, which persists for more than 30 days.
3. Failure to abide by, and adhere to, rules and regulations written herein or added hereafter, or to abide by other pertinent University regulations and policies, including the WSU [University Policies and Procedures Manual](#) (UPPM) and the WSU [Safety Policies and Procedures Manual](#) (SPPM).
4. Repeatedly disturbing other occupants and/or violating WSU policies.
5. The loss of "marital status or domestic partner eligibility" (i.e., divorce, failure to maintain the domestic partner requirements as defined in Washington State law). The policy permits the remaining ineligible spouse/domestic partner to stay in family housing for up to 90 days from the date of loss of eligibility. If the remaining spouse does not have an ID number, one will be established for that short period of time. A 90-day online notice of termination will still be required if the remaining spouse/domestic partner should choose to move out prior to the end of the 90-day.

Housing and Residence Life will send a written notification of removal via an agent of Washington State University a minimum of 5 days prior to the removal date for any breach of this apartment agreement. By signing this apartment agreement, the occupant agrees that the occupant is granting a Housing and Residence Life representative the authority to enter the apartment on or after the removal date to remove anything of the occupant's that is still in the apartment including the occupant. Occupants will be charged for the removal and impounding of property for labor on an hourly basis. Housing and Residence Life will attempt to contact occupants via their WSU e-mail about the impounded property. Occupants have 60 days to contact Housing and Residence Life to make arrangements for the return of their property by contacting an outside company to arrange shipping, picking the property up in person, or agreeing to allow WSU to donate the property. After 60 days, if arrangements have not been made, the property will be considered abandoned, and Housing and Residence Life will dispose of said property according to University policy. If property is to be shipped or picked up, the occupant has 60 days from the original date of impoundment to retrieve the property.

Occupants that do not check-in and collect keys for their apartment within 5 days following their assigned move-in date will be considered no shows. Their apartment agreement will be administratively terminated, and they will be charged a penalty equal to 90 days license fee from the date of termination. Housing will only consider making adjustments to the assigned move-in date if the request comes more than 14 days prior to the originally scheduled move-in date; there is no guarantee an adjustment to the date or billing can be made.

Utilities

Housing and Residence Life provides a stove, a refrigerator, streaming television, internet, water, sewer and trash collection to all units. Heat, hot water heating, and electrical usage are provided in Valley Crest. Steam heat and hot water heating is provided in Steptoe. Heat is included in Kamiak and Terrace – occupants are required to pay for electric hot water heating.

Yakama occupants pay for natural gas heat & hot water heating – occupants of 1-bedroom flats and studios pay for electric heat and hot water heating. Occupants of all complexes are required to pay for their own electrical usage (except Valley Crest). Occupants are responsible for canceling service at end of licensing agreement.

Occupants making use of Internet service must comply with the terms of the Network Service Agreement, as it now exists or as it may be amended from time to time. The Network Service Agreement can be found at housing.wsu.edu/network/. Inappropriate use of computers on the WSU-provided network can result in the loss of network privileges. Telephone and/or Internet services, other than the provided Internet services, are at the occupant's option and cost.

During periods of freezing/below freezing temperatures, the thermostat must be set at a minimum of 60 degrees. Hot water units must be maintained at 120-degree temperature; changing the temperature setting is a violation of the policies of Housing and Residence Life.

The University reserves the right to bill individual occupant accounts for any portion of unpaid utility services or delinquencies that have been reverted to the University due to occupant non-payment. Failure to maintain utility service to the unit may result in termination of this housing agreement. A \$25 handling fee will be charged for each utility billing handled by Housing and Residence Life.
